(11) Government Memorandum No. 52352-1-C., L.A.,
dated 16-9-1947.

Sir,

The income from the betterment contribution alone will be sufficient to repay the loan amount spread over twenty years. Further the general finances of the Council have improved progressively as can be seen from the statement showing the financial position. With the execution of the T.P. Scheme the prospects of further increase in the revenues of the Municipality can confidently be stated as bright. The Municipality will not find it difficult to repay the debt under any circumstances. I request therefore that the Government may be pleased to sanction the loan as applied for. The acquisition Officer has asked me to place at his disposal necessary funds on or about the 15th Nov., '47.
